

Wisborough Green C.C.

Climping Vs. Wisborough Green – 21/05/11

Wisborough Green 274 for 8

Climping 158 all out

Wisborough Green won by 116 runs

Wisborough Green arrived at Climping still on a high from winning their first 3 games of the campaign, however Climping were, allegedly, going to be one of the Greens toughest tests so far.

Tim Monday lost the toss again and wizzy were dually put into bat on a mossy, but hard track. Climping obviously were going to chase any sort of total down as putting your opponents in would normally be the case.

The innings started solidly before a few deliveries of unpredictable bounce appeared, Lowther being the first to go to one that “popped” but yet again Justin Grant entered the scene and he carried on from where he left off last week, smashing all in front of him to all parts of the ground. Justin eventually fell for a majestic 86 and at 168/4 a good total was still on the cards.

Byron Napper, in only his second game of the season, followed up his half century last weekend with a very well made 42 to push the Wisborough total to 274/8 off the allotted 49 over's.

Wisborough, expecting a tough time in the field defending their total were extremely disappointed that Climping seemed to be happy with a draw from the beginning. However Thatcher and Travena took some early wickets to put Climping under even more pressure to hand on. The introduction of young Eddie Wells was a stroke of genius as from ball one he absolutely bamboozled the batsmen with his leg spin picking up a wicket in his first over. He went on to finish with 2/28 off 11 superb over's.

Climping still trying to hang on for the draw, saw the captain a bit disheartened and said that “We had got too many runs!!!!!!!!!!!!” sorry I thought that was the object of inserting your opponents and then chasing not blocking from ball one was the way you played? Anyway back to the game, at 125/6 with 10 over's left it looked like they had pulled it off captain Chris Green doing his utmost to block everything finished with 44 not out but the reintroduction of Travena with 10 overs to go was another touch of genius, he ripped the tail to pieces with a spell of 3/9 to give Wisborough Green their forth win out of four with 1 ball of the game left. Climping were left all out for 158, well short of what they required.

“We are going from strength to strength this season; everybody in some way is contributing to the cause. The spirit in the squad is fantastic and we are enjoying a brilliant high at the club, long may it last” Tim also said “Hopefully our game Home game against Climping will be a more friendly Game of cricket”
