Sunday league team vs Harrow St Mary

Sunday saw the annual fixture against Harrow St Marys played on the green. Both the weather and most of the team could be described as overcast with many heads being held from a massive night out in Brighton.

The opposition arrived looking resplendent in matching training outfits and kit bags larger than those under Jon Farmer's eyes. Having lost the toss, it appeared that the opposition were targeting a score around the 700 mark and clearly thought this was possible given the state of most of the team. Jimma Newman's first ball was still travelling vertically at 4m high as it passed over the batsman's head but in true Wisborough fashion the bowlers bucked down and soon the wickets fell. Matt "dog bowl" Travelator soon showed why he is the best bowler in Sussex and not Farmer and he started take wickets regularly ending up with another 5 wicket haul. He was ably assisted by Jimma Newman whose Radar suddenly locked in on the length and Harry Sedgwick, making his full debut for the Sunday team, contributed with some fine spin bowling. DJ aka Matt Prior, kept very soundly behind the stumps and all calls for the return of Franky Vickery were soon put to bed.

Finishing on 200 all out, Harrow seemed to have batted for hours and perhaps not made the best of their opportunity.

Following a splendid tea, one of the highlights of the day, Wizzy took to the crease opening with Justin and Byron. Both looked solid against a forceful attack...particularly the Australian left arm over who brought back memories of Gary Gilmore! Byron went fairly early clearly choosing the wrong ball of the 3 he could see being bowled at him. He was followed back to the pavilion by Jimmy "I was only 2 hours late because my tennis went on and on and nothing to do with my late night" Francis and DJ. Jimma then joined Justin to put together a stand of some 160 with some fantastic batting. Justin was caught on 75 but luckily the ball had just clipped a leaf and the rather eagled eyed umpire signalled a four much to the disbelief of the opposition. Justin made a fantastic 100 and Jimma 75 not out and Wisborough chalked up another victory.
