## **Any other Business**

Howard True on behalf of the Vice Presidents wished to thank all those Committee members, coaches, administrators and other volunteers who had made cricket possible in the midst of this year of the pandemic.

John Pleasants, living in Workington now, asked if there was an under 16 team last year, Tarni said that the under 16 has been attending training sessions only. JP was impressed with the progress the Club was making and that both he and Lena still missed Wisborough Green.

Tarni Dixon then announced that the Club wished to recognise John Newman's contribution to the Club, as after over 40 years of active involvement he has decided to stand down from his current role as Club Secretary. In recognition he proposed the Club offer him Honorary Life Membership, which was unanimously agreed. He accepted and was delighted with the award.
