

8th June 2025. Race starts at 9:30am

Dear Resident,

I'm sure you will have heard by now that on Sunday 8th June we will be holding Wisborough Green's 5km and 10k run and the ever popular Childrens Colour Run. You are receiving this leaflet because your house is on or close to the route. We realise that this may cause a little disruption so wanted to ensure you are aware of the details in good time so you can make suitable arrangements. If you have any queries, please call Martin Lonsdale – 07557 737784.

We are expecting between around 500 runners running in two races, a 5k race and a 10k race. Both races will set off at 09.30 from **the lane that runs up to the Pavilion (Western Road)**. From about 8.30am this lane will be filling with people and any traffic movement will not be possible. In addition, timing mats will be laid at the start/finish line from 8am and a car crossing these could damage them so traffic movements at the north end will not be possible from 8am until the race finishes at about 11.15am.

The start line will be marked by an inflatable gantry over the lane to the Pavilion just before the boundary of Ivy Cottage. The gantry will be erected on Sunday from 8am and removed after the race. We would appreciate it if residents along this lane would be kind enough to keep it clear of parked cars on race day until after the race.

The race starts in a northerly direction and runs along the following roads (roads closed marked in bold): Wyatts Close, Butts Meadow, Carters Way, The Luth, **Kirdford Road, Durbans Road and Newpound Lane**. The full route is shown on our website www.runwisborough.co.uk. We need to close roads to ensure the safety of runners, marshals and spectators. **Emergency vehicles will have access at all times.** The main aim is to stop through traffic and where possible marshals will allow traffic for access once the main bulk of the run has passed. However, we respectfully ask that residents make alternative plans to leave and arrive outside of the closure times which are 09.15-11:15. **Dont forgot to rebook any online food deliveries to arrive outside of these times.** The route will be manned by 30 marshals and first aiders. In the event of a problem please speak to one of them in the first instance.

If you are not running, we hope that you'll come out and cheer runners along and help create the usual energetic atmosphere the runners love. The proceeds from the race will be going towards sports facilities in the village which believe is a very worthy cause.

Thank you for your support and cooperation. There is still time to get involved so either sign-up at runwisborough.co.uk or if you want to help volunteer (and get a free breakfast roll & free drink!!) then drop me a text on 07557 737784

Many thanks in advance for your help & support!

Wisborough Green Sports
